**GET A  
WORLDWIDE  
PERSPECTIVE**

# BRINGING YOUR DREAMS TO LIFE

Welcome to Radiant Scholars! It is my pleasure to invite you on an academic journey that will shape your life, your career, and your aspirations.

RIMS, Indore was founded in 2009 to cultivate leaders in education and research, with a focus on science and technology. Over the past decade, we have graduated over 10,000 students with degrees in Bachelors, Masters, and Diplomas. Today, RIMS, Indore is a premier institution for education in management, commerce, and arts. Our goal is to create an environment that fosters innovation, creativity, and excellence in our students. In short, Radiant is your key to a bright future.

**REENA SETIA**  
Chairperson

At Radiant, we strive to provide a superior education that is complemented by close partnerships with industry. Our international programs, such as MBA Duke, BBA ILP, and B.Com Foreign Plus, offer students valuable exposure to foreign universities and industries and prepare them for a global culture. Our certifications, on-the-job training, and corporate partnerships ensure our graduates are well-equipped for successful careers. Our aim is to empower our students with the skills and confidence to succeed in a rapidly changing world. As the saying goes, "The world is a global village," and Radiant is dedicated to nurturing the talent and potential of the future.

**ASHISH SETIA**  
CEO

Duke programme stands synonymous with development from the base level to reach the highest rank. Our programme absorbs tactics of perfection from course nomenclature A3+P2+O1. 'A' symbolizes academics whereas 'P' denotes practical training in management and 'O' refers to outbound research orientation. The 2-year full time MBA programme is designed to take you from classroom to boardroom with Industrial-driven curriculum that offers hands on experience in this emerging & contemporary sections of the corporate world.

Certifications like Digital Marketing, SAP, SIX SIXGMA, Artificial intelligence, etc. enhance your career skills. These certificates suit for the purpose of job as well as commencement of business entity as well. Industrial visits, either international or national, and even at a city level gives first-rate experience to corporate world. The internship, summer placement & on the job training prepare you for being an industry ready professional. The foreign edutour to Germany, a destination, prime in Industry technique using artificial intelligence is once in a life time opportunity. Our international edutour can also be conducted to destinations like St. Petersburg & Moscow in Russia. Infrastructure of college uses latest educational technology with also a provision of live recorded lectures for excellent academics.

A rare and supreme part in Duke program is 100% written guaranteed placement sure for every student. This is because of large and rich nexus with corporate world.
