Size: 13.25(w) X 8(h) Inch

About Us

Radiant Institute of Management & Science, Indore, running under the aegis of Radiant Academy Educational Society, since 2009 is known for its "Radiance of Knowledge" par excellence. RIMS is a premium college imparting 360 degree development to a student with rich academic exposure. RIMS is just like a second home to knowledge seekers. Undoubtedly, the best college in vicinity i.e., located in the heart of the city with all amenities makes it unique and most preferred as well.

RIMS initiates its unique programs with International Exposure. Our international programs in BBA (International Leadership Program), B. Com (Foreign Plus), MBA (Duke), offer opportunity to every student to have foreign industry visit, university visit, visit to important places, so as to make our students adapt to global environment and make them believe in the fact that world is one place. Students are prepared to perform to the best of their abilities in jobs in various corporates.

Visionary

I Proudly welcome all scholars for ever shining journey of academics and life as well. Our successful endeavour since 2009 has created trust & faith of thousands of students & parents in us. Our strength is best infrastructure and innovation in educational pedagogy. Our nev campus is a step ahead in providing world class campus equipped with all latest resources for providing best in higher education. Our undergraduate & post graduate programs in management, commerce and arts provide complete learning outcomes creating professionals and champions in life. Come and join radiant for your promising future.

REENA SETIA
Chairperson

Leadership

Radiant is synonyms to growth & radiance in life, our international programs BBA ILP, B.COM. FP, MBA DUKE are exceptional for the world of exposure to nurture your career to form ecstatic height, our foreign University visits, international industry visits for a basis for a global perspective. Our certification like artificial intelligence and cyber security and others are designed for outstanding skills combining with academics for a perfect career Avenue. Our corporate nexus and apt training provides and prepare students for lucrative career. Our students are not only prepared to join corporate world but also to start up there. Own venture, world is a global village and at radiant we family believe in this.

Duke programme stands synonymous with development from the base level to reach the highest rank. Our programme absorbs tactics of perfection from course nomenclature A3+P2+O1. 'A' symbolizes academics whereas 'P' denotes practical training in management and 'O' refers to outbound research orientation. The 2-year full time MBA programme is designed to take you from classroom to boardroom with Industrial-driven curriculum that offers hands on experience in this emerging & contemporary sections of the corporate world.

Certifications like Digital Marketing, SAP, SIX SIXGMA, Artificial intelligence, etc. enhance your career skills. These certificates suit for the purpose of job as well as commencement of business entity as well. Industrial visits, either international or national,

and even at a city level gives first-rate experience to corporate world. The internship, summer placement & on the job training prepare you for being an industry ready professional. The foreign edutour to Germany, a destination, prime in Industry technique using artificial intelligence is once in a life time opportunity. Our international edutour can also be conducted to destinations like St. Petersburg & Moscow in Russia. Infrastructure of college uses latest educational technology with also a provision of live recorded lectures for excellent academics.

A rare and supreme part in Duke program is 100% written guaranteed placement sure for every student. This is because of large and rich nexus with corporate world.
