Experience The Rise of Your Career

RADIANT INSTITUTE OF MANAGEMENT & SCIENCE TM

APPROVED BY AICTE, NEW DELHI & AFFILIATED TO DAVV, DHE GOVT. OF MP (HIGHER EDUCATION)

About Us

Radiant Institute of Management & Science, Indore, running under the aegis of Radiant Academy Educational Society, since 2009 is known for its "Radiance of Knowledge" par excellence. RIMS is a premium college imparting 360 degree development to students leading to rich academic exposure. RIMS is just like a second home to knowledge seekers. Undoubtedly, the best college in vicinity, located in the heart of the city with all amenities making it unique and also most preferred.

RIMS initiates its unique programs with International Exposure. Our international programs in BBA (International Leadership Program), B. Com (Foreign Plus), MBA (Duke), offer opportunity to every student to have foreign industry visit, university visit, visit to important places, just so that our students adapt to the global environment with ease and confidence. Students are prepared to perform to the best of their abilities in jobs in various corporates.

RADIANT
INSTITUTE OF MANAGEMENT & SCIENCE

Visionary

I proudly welcome all scholars in the ever-shining journey of academics and life. Our successful endeavour since 2009 has brought-in trust & faith of thousands of students & parents in us. Our strength is best infrastructure and innovation in educational pedagogy. Our new campus is a step ahead in providing world-class campus equipped with all latest resources so as to provide the best in higher education. Our undergraduate & post graduate programs in management, commerce and arts provide complete learning outcomes creating professionals and champions in life. Come and join Radiant for your promising future.

REENA SETIA
Chairperson

Leadership

Radiant is synonymous with growth & radiance in life. Our international programs such as BBA ILP, B.COM. FP, MBA DUKE are designed so as to nurture your career and take it to greater heights. Our foreign university visits and global industry visits offer a foundation of the exciting times that lie ahead. Our certification like artificial intelligence and cyber security and others are designed for outstanding skills combined with academics for cutting-edge outcomes. Our corporate tie-ups and training which is in sync with the present times paves the way for lucrative careers for students. Our students are not just molded for the corporate world but are instilled with confidence to become entrepreneurs too.

ASHISH SETIA
CEO

MBA

Duke

$A^3 + P^2 + O^1$

The Duke programme stands synonymous with the development from the base level to reach the highest ranks. Our programme absorbs tactics of perfection from course nomenclature $A^3+P^2+O^1$. 'A' symbolizes academics whereas 'P' denotes practical training in management and 'O' refers to outbound research orientation. The 2-year full-time MBA programme is designed to take you from classroom to boardroom with Industrial-driven curriculum that offers hands-on experience in this emerging & contemporary sections of the corporate world.

Certifications such as Digital Marketing, SAP, SIX SIXGMA, Artificial Intelligence, etc., enhance your career skills. These certificates suit for the purpose of getting a job or even becoming an entrepreneur. Industrial visits, either international or national, and even at city level give first-rate experience of the corporate world. Internships, summer placements and on-the-job training prepare you for being an industry-ready professional. The foreign edutour to Germany, a destination, prime in Industry technique using artificial intelligence is once-in-a-lifetime opportunity. Our international edutour may also be conducted to destinations like St. Petersburg & Moscow in Russia. Infrastructure of college uses latest educational technology with also a provision of live recorded lectures for exceptional academics.

A rare and supreme part in Duke program is 100% written guaranteed placement sure for every student. This is due to our enriching tie-ups with the corporate world.
